You save \$5/wheel using the Toro parts and gain much greater longevity. The Toro caps need approximately .030 ground off the diameter and .015 from the inside end of the cap to allow for bearing side movement.

Toro parts and prices :
83-4740 Bearing \$4.99
62-5580 Cap \$1.99
62-4340 Spanner \$3.46

Ransomes parts & R&R pricing :
2188123-03 Bearing \$6.95
2203097 Spanner \$3.35
